

### ABOUT US

With 65 years experience Independent Services has helped customers fulfill contract obligations while maintaining our integrity and honor. We do it right the first time, every time.

### CORE COMPETENCIES

- Government Registrations
- Small Business
- Federal Bid Training
- Construction Skills
- Risk Management
- Safety
- Management Skills
- Professionalism
- Sustainability

### DIFFERENTIATORS

- The ability to manage project cost; minimizing the number of change orders.
- The ability to maintain a project schedule.
- Professionalism and the ability to manage, including prompt payments to vendors and subcontractors, and responses to client questions.
- Proper close-out process, which could mean having no punch list on turnover, offering warranties on the work, providing as-builts and operating manuals, and expediting tax clearance.
